All in all you need to send us the following:

-Official State Roster
Downloaded from your GotSport account. If using guest players you will hand write them on this official roster document and then send it to us.

-Signed Guest Player Forms (If Applicable)

-Approved Travel Permit From Your State Association (Non-Missouri Teams only. US Club Teams Exempt). Even teams playing in SLYSA from outside of Missouri must submit this document.

THAT IS ALL WE WANT EMAILED TO US IN ONE EMAIL PER TEAM.

There is NO ONSITE CHECK-IN. Until we figure out a more efficient way in GotSport, we will have all teams submit the required documents via email sent to DOCUMENTS@FUSZ.COM Thank you.

Email to: DOCUMENTS@FUSZ.COM
Subject: TEAM NAME, FALL INVITATIONAL
Attach the above listed documents

ALL Teams Will Need to Have With Them On Site:
-Laminated 2021/22 Player and Coach Cards. Guest Player Cards Also Needed (Presented to Referee Before Each Game) DIGITAL PLAYER CARDS are allowed for this event but must have the official state association seal. You will need to present the referee with your phone/tablet before kickoff to view the official digital player cards.

-Printout of your official state roster to be given to the referee at each game when they check your player cards. They will hold on to this for the match. Bring printouts for each game you will play or you cannot start the match. Have all guest players written in, and any players not participating need to be scratched out. This is necessary as the majority of GAME CARDS that are generated using GotSport, do not have all the players listed.

Steps for Downloading Roster from GotSport:
1. Go to your Gotsport Coach/Manager account.
2. Click the "Team Management" tab at the top of your page, and click into your team.
3. Click the "Rosters" button at the top of your screen.
4. In the drop down menu titled "Select Event Roster" select the "2021/2022
Competitive Player Registration" (your club/state association may call it something
slightly different) and click the blue "Search" button.
5. Scroll down and you will see a blue "Documents and IDs" tab. Click it and you will
now see a blue button titled "Roster PDF". Click it and your state roster PDF will open.
6. Upload this State Roster to your computer. IF you need to add guest players, print
this PDF, handwrite in the guest player information, then scan this to your computer.
7. Add this document as an attachment to your email and send
to DOCUMENTS@FUSZ.COM following the email instructions above.
8. IF using guest players be sure to add your guest player form (link above) as an
attachment to your email as well. Follow same steps if needing to submit Permission to
Travel.

As documents are received and reviewed by our staff we will mark your registrations as
'COMPLETE' in the GotSport system.

If unable to access any of the above items in GotSport you will need to contact your club admin or registrar. We do not have access to your accounts. Some teams may not yet have all their players registered. These players will not show up on your roster if your admin/registrar has not yet added them to your team.

If you have any questions please email us at TOURNAMENTS@FUSZ.COM

Stay tuned for more info. We will be sending reminders and updates, maps, etc. very soon.

Thanks for joining us. We appreciate your patience and efforts while we all get through the learning curves of this new registration system together.
